In the opening chapters of Oliver Twist Charles Dickens attacks the New Poor Law, enacted in 1834. Previously it had been the burden of the parishes to care for the poor through alms and taxes, the needy could go to the parish workhouse or apply for 'outdoor relief', which enabled them to live at home and work outside jobs.

Early chapters of *Oliver Twist*, one of the first and most popular examples of the “social problem novel,” were serialized in a literary magazine, *Bentley’s Miscellany*. The story of a young, orphaned street lad running into other young, hapless, sadly criminal street lads in 19th-century London was an immediate hit and helped launch Dickens to international

popular and moving novels, OLIVER TWIST deals with a world Dickens himself knew only too well -- a world of debtors, prisons, alms houses and poverty. Oliver is born in a workhouse. Apprenticed to an undertaker, he runs away to London where the "Artful Dodger," Jack Dawkins, takes the starving boy into a den of thieves.

One of the best known instances of racism is Dickens's portrait of Fagin in his early novel, *Oliver Twist*, first published in serial form between 1837 and 1839. This portrayal has been seen by many as deeply antisemitic, though others such as Dickens's biographer G. K. Chesterton have argued against this
