Embracing Complexity: Strategic Perspectives for an Age of ...

The book, Embracing Complexity, for Oxford University Press, (order the book) written in conjunction with Professor Peter Allen and Professor Cliff Bowman of Cranfield University, was published on July 31st 2015 and is selling well and leading to lots of interesting invitations and discussions. The book starts with an introduction to complexity theory and describes its origins.

How do you go about embracing complexity? It's complicated ...

The book describes what it means to say the world is complex and explores what that means for managers, policy makers and individuals. The first part of the book is about the theory and ideas of complexity. This is explained in a way that is thorough but not mathematical. It compares differing approaches, and also provides a historical perspective, showing how such thinking has been around ...
