BBC - History: Civil War and Revolution
Why did the English Civil War start? Before the outbreak of the war, England was governed by an uneasy alliance between the monarchy and parliament. Although the English parliament did not have a large permanent role in the system of governance at this time, it had been around in some form since the middle of the 13th century and so its place was fairly well established.

What Caused the English Civil War? | History Hit
Fought between 1642-1651, the English Civil War saw King Charles I (1600-1649) battle Parliament for control of the English government. The war began as a result of a conflict over the power of the monarchy and the rights of Parliament. During the early phases of the war, the Parliamentarians expected to retain Charles as king, but with expanded powers for Parliament.
