### Final Comment On Discussion Paper

Writing Final Comments: 1) Begin by making positive comments: when pointing out weaknesses, use a descriptive tone, rather than one that conveys disappointment or frustration. Give an honest assessment, but do not overwhelm the writer with an overly harsh or negative reaction. For example, do not assume or suggest that if a paper is not well ...

Edit and proofread your work: Despite the use of conversational language and the general informal nature of discussion papers, final editing and proofreading are still vital steps that must be performed before a discussion paper is submitted. Silly mistakes are often just annoying, but in some cases they can change the overall message of a paper.

### Property Rights Symposium Discussion Paper

The discussion paper has as much as possible focused on MU Sport's policies and practices as they relate to students in particular, as emphasised in the brief. However, because consultation with student participants was not included in the project's scope, the paper does not provide a direct account of students' experiences of gender equity.
