Infant Development: A Topical Approach by Alan Fogel

Similar to Alan Fogel's classic text, *Infancy: Infant, family, and society*, 6th Edition (Sloan Publishing), which is organized by ages and stages, *Infant Development: A Topical Approach* brings the same balance of careful scientific review of the literature, down-to-earth writing style that appeals to students, as well as many applied topics relevant to the life of infants and their families. These include infant maltreatment, attachment, poverty, infant mental health, and nutrition.
