When Hank Paulson, the former CEO of Goldman Sachs, was appointed in 2006 to become the nation's next Secretary of the Treasury, he knew that his move from Wall Street to Washington would be daunting and challenging. But Paulson had no idea that a year later, he would find himself at the very epicenter of the world's most cataclysmic financial crisis since the Great Depression.

## **On the Brink: Inside the Race to Stop the Collapse of the ...**

From the man who was in the very middle of this perfect economic storm, On the Brink is Paulson's fast-paced retelling of the key decisions that had to be made with lightning speed. More than an account about numbers and credit risks gone bad, On the Brink is an extraordinary story about people and politics - all brought together during the world's impending financial Armageddon.
