Independently, each of these heroes is featured in a story arc that redefines their purpose in the DC Universe. But their stories also interweave with the other soldiers' tales, and tell a grander story of a devastating global threat to mankind. These reluctant champions must arise and work together to save the world without

critics” I sought to address the widespread cavalier dismissal of the Bible, a collection of writings that (among other things) tell the story of the Jewish people. I did so by drawing an analogy with a collection of writings, the “Americana Omnibus”, that collectively tell the story of the American people.
