## **The Conspiracy Club by Jonathan Kellerman - Goodreads**

The Conspiracy Club from the book's title really doesn't do anything that a single character couldn't have done. It's like this is a novel he'd written years ago but put away and suddenly he had a deadline and had to grab it.

Twisting Final Scene ...**

Although "The Conspiracy Club" doesn't include an all-time favorite, Alex Delaware, we're introduced to a likeable, young psychologist named Jeremy Carrier. In this story, he is psychologically put through his paces, and once the momentum begins to build, the reader is almost as caught up in the intrigue as the hero.

Carrier finds himself engaged in a game  
of cat and mouse when additional  
murders take place and clues begin  
appearing in his mail.

**The Conspiracy Club: A Novel  
(Kellerman, Jonathan) Kindle ...**

The Conspiracy Club is good book, but  
not a great book in my opinion. It is  
supposed to be a who-dunnit but it is  
more of a 'what is going on' type of  
book. It does show what the psychiatry  
department does in a hospital setting,  
although there is a lot of medical terms  
and procedures mentioned that was  
over my head.
