the mother Summary. Sit down, take a deep breath: this poem's intense. An unnamed speaker ruminates about the abortions she's had. She thinks about the children and adults that her pregnancies could have grown up to be. She addresses the aborted fetuses directly, and tells them that she was not "deliberate" in her decision to have an abortion.

Challenging read! The first half was extremely hard to plow through, but the second half made up for it. This is a fascinating read. From my notes when I read it (pre-1998) I wrote: Neumann's Great Mother was very, very difficult to begin, but developed into one of the best books I have read describing the relation of history with psychology, in this case, with the feminine.

Erich Neumann: Theorist of the Great Mother

<p>The Great Mother may not have these connections for us personally, but may represent unformed, or largely unconscious feelings we have about how we are linked with the process of life, and have within us the splendour of this mystery. For a woman this may be particularly potent at times. It connects her with the forces of death and renewal occurring within her during every menstruation.</p>
