In Eugenia Kim's novel *The Kinship of Secrets*, sisters Inja and Miran are separated by the military action known in Western countries as the Korean War. Officially a "police action" – war was never declared – it is frequently referred to as "the Forgotten War" or the "Unknown War," as many Americans knew little about it due to government censorship of its coverage at the time.

The Kinship of Secrets by Eugenia Kim: Summary and reviews

A family separated by war and difficult choices maintains an unwavering bond in Eugenia Kim's thoughtful second novel. Picking up where *The Calligrapher's Daughter* ends, *The Kinship of Secrets* finds Calvin and Najin Cho settled in America with their daughter, Miran, while their younger daughter, Inja, remains in the care of Najin's extended family in South Korea.

The Kinship of Secrets is straightforward but very emotional. In 1948, right before the beginning of the Korean War, Najin and Calvin leave Korea for America. The cost of traveling is expensive and to show their love for Najin's family, and to prove their commitment to returning, TL;dr: The Kinship of Secrets is a compelling, interesting book that really sheds light on an important period in Korean history.
