This CD contains a +Venture product catalog circa 2005, a manual detailing the usage of the RX-5, RX-7, and RX-9 telescopes, as well as an installer for Stellarium v0.6.1.

## **Venture Reflector Telescope - Telescopbinocul**

## Access Free Venture Telescope User Guide

Any telescope that promotes itself as being 525x should be avoided like the plague. And Venture is pretty much an unknown. You didn't say which model Celestron Astromaster it was, but it would likely be much preferable to the Venture. I would actually recommending holding off a bit before buying a telescope right off the bat.

The lenses of your Simmons Venture spotting scope are fully multi-coated for highest light transmission. As with any multi-coated optics, special care must be taken in cleaning the lenses. Follow these tips for proper lens cleaning: • Blow away any dust or debris on the lens (or use a soft lens brush).
